Admirable Saint and Doctor of Humility, you practiced what you taught, assiduously praying for God's glory and lovingly fulfilling all work for God and the benefit of all human beings. You know the many physical dangers that surround us today often caused or occasioned by human inventions. Guard us against poisoning of the body as well as of mind and soul, and thus be truly a "Blessed" one for us.  
Amen.

## ARCHBISHOP'S APPEAL FOR SHARED MINISTRIES 2022

### What is our Archbishop's Appeal for Shared Ministries?

It is the transformative love that is so critical to the life of our local church. It is the ministry shared between St. Benedict Church and the Archdiocese of San Antonio, between Father Juan Carlos and Archbishop Gustavo. It is a compassionate love for those most in need.

We have two important requests for you. It is an invitation for your prayers and financial stewardship, and we are asking for 100% participation.

Your prayers are vital for the success of this Appeal, as is your financial support. I invite you to consider giving maybe \$5, \$10, or \$20 as a monthly recurring gift. The financial needs of these ministries are large, we do need large gifts as well, but all of us can make a difference. Having your monthly support will make an enormous difference in somebody's life.

**Currently St. Benedict contributions are \$5885.00 and 35 donors at 8.8%**

If you have given in the past, I want to say thanks! If you have already given this year, thank you! If you can today or in the coming weeks, thank you!

**You may donate online:**

## It's Summer time

### Let's encourage our children to attend Mass

► **Educate your kids about the Eucharistic liturgy.**

Mass is an amazing experience: God speaks to us, we are transported to Calvary, we are physically and spiritually united with Christ, we are transformed and sent out on mission. Christ is at the heart of the Eucharistic celebration; the Baltimore Catechism summarizes this truth nicely: "The Holy Eucharist is a sacrament and a sacrifice. In the Holy Eucharist, under the appearances of bread and wine, the Lord Christ is contained, offered, and received." But it's difficult to appreciate what you don't understand.

► **Make a point to offer thanks.**

The word *Eucharist* comes from Greek words that refer to giving thanks. That's what the first Christians, drawing on their Jewish heritage, would have done at mealtimes. They would offer prayers of blessing and thanksgiving not only for the food they were about to eat, but for all of God's work of creation, redemption, and sanctification (see Catechism #1328). You can bring out this dimension of the Mass by asking your kids to name what they are thankful for on the way to church. Or have them write down what they are thankful for on slips of paper and place them in the collection basket during the offering of the gifts.

► **Do a liturgical scavenger hunt.**

Ask your kids to pay attention to certain elements of the Mass: the color of the vestments, the name of the books the Scripture readings are taken from, the order of the procession, the option used for the penitential rite, etc.

► **Unpack the Mass.**

After Mass is over, talk about what you just experienced. If you didn't discuss the Scriptures in advance, discuss them on the way home, along with elements of the liturgy that seemed striking.
